

9K212

Nm. 1/180

Composition 50% Nylon, 50% Polyester

Characteristics Extremely fine lurex yarn with a bright shine.
Unlike common lurex, the fineness of art. 9K212 gives a soft touch and delicate appearance when knitted alone.
It also can be knitted with any kind of yarn.

Special Instructions Weight of one cone may differ depending on colour and/or lot number.

Notes Please note that the small differences of colour/texture/shrinkage between the production lots are inevitable.
Please conduct enough trials in advance, as the final result depends greatly on the condition of knitting and washing.

Stock Service All colors are available for sampling. **Minimum Order Quantity** 1 kg per colour

Finishing

- Dry cleaning is recommended. Please steam press to set the shape before dry cleaning.
- When ironing, please put a piece of cloth on the knitted panel. The temperature must be below 110°C.
- Avoid strong acidic or strong alkaline chemicals, as the yarn may lose its luster or color. Please use the soap compatible with metallic yarns.
